### PRAYER MINISTRY

#### Missionary of the Week - Missionary of the Week - Dave and Eleanor Fisher

serve with Trans World Radio. Dave's current ministry involves "pulling weeds before planting seeds". Jesus said good seed doesn't grow well in thorny ground; in many countries, the Enemy's favorite thorn is indoctrination that "science proves God doesn't exist." In the "Truth in the Test Tube" program, Dave pulls these thorns by analyzing the intricacies of nature and of various organs of the body – reasoning that these features imply a genius-level Creator. Many have been saved as a result. Dave can be reached at [dfisher@twr.org](mailto:dfisher@twr.org).

- Japanese is the most expensive language they have ever used. So, they have been able to afford only one year of production. Please pray that God will use the remaining episodes powerfully.
- Pray that medication will continue to keep Dave's Parkinson's Disease and leukemia under control.
- Pray for wisdom in choosing topics, and in developing them into credible defenses of the faith.
- Pray that God will continue to use the program.
- So far, they have dodged the COVID-19 virus successfully. Please pray that they continue to be healthy.
- Pray that all their grandchildren and "greats" will "make their calling and election sure," then follow God's will in every decision.

**Ministry & People of the Week** - Thank God for our high school youth leaders which include Steve & Amy McDowell and Brad McDowell.

**Pray for the Election** — Voting has started with early voting in 42 states and mail-in voting in 46. Pray that Christians will sense the urgency and vote. Pray the candidates will clearly and honestly present their agendas. Pray for the integrity of the process. "May integrity and uprightness protect me, because my hope, Lord, is in you." Ps 25:21 (NIV)
