PRAYER MINISTRY

Missionary of the Week - Dave and Eleanor Fisher serve with Trans World Radio. Dave's current ministry involves "pulling weeds before planting seeds". Jesus said good seed does not grow well in thorny ground; in many countries, the Enemy's favorite thorn is indoctrination that "science proves God doesn't exist." In the "Truth in the Test Tube" program, Dave pulls these thorns by analyzing the intricacies of nature and of various organs of the body – reasoning that these features imply a genius-level Creator. Many have been saved as a result.

- Pray that new listeners will find the program and make it a regular part of their week.
- Pray that listeners who have heard several programs, will yield to the Lord and be saved.
- Suicide is a major issue in Japan. Pray for wisdom as TWR produces additional programs on that subject. Pray for God to guide in what to say, and to work in listeners' hearts.
- Pray for funds to continue producing and airing Japanese and Spanish.
- Pray for continued good health.
- Pray for ability to concentrate completely on writing scripts.

Ministry & People of the Week - Thank God for our Dudes Club. Two of the leaders are Jeff Zanes and Ben Hokuf.

Pray for Our Nation — While we live on this our earthly home and are concerned that our government honors God, we must diligently pray for it; but remember, it is a loving God who is truly our Sovereign, our Caregiver, and our Savior. "For the Lord is our judge, our lawgiver, and our king. He will care for us and save us." Is 33:22.
